Respondent/Plaintiff.)	

ORDER

MURPHY, District Judge:

A jury convicted Petitioner on two counts involving the distribution of marijuana. He was sentenced to 188 months imprisonment, five years supervised release, a fine of \$1000, and a special assessment of \$200. On appeal, Petitioner challenged the Court's denial of his motion to exclude portions of his videotaped testimony, but his conviction was affirmed. *United States v. Jumper*, 497 F.3d 699 (7th Cir. 2007). Subsequently, Petitioner filed the instant motion under 28 U.S.C. § 2255. In this motion, he raises three instances of ineffective assistance of counsel: (1) failure to object to the computation of his criminal history, (2) failure to present his "leadership" argument on appeal, and (3) failure to provide him with discovery materials.

The Court **ORDERS** the Government to file a response to Petitioner's motion within **THIRTY (30) DAYS** of the date of this Order. The Government shall, as part of its response, attach all relevant portions of the record.

IT IS SO ORDERED.

DATED: 12/29/08
